### Coast Guard

### 33 CFR Part 165

[Docket Number USCG-2022-0173]

RIN 1625-AA00

### Safety Zone; Barge Based Fireworks, Hudson River, Wappingers Falls, NY

**AGENCY:** Coast Guard, DHS.

**ACTION:** Temporary final rule.

---

**SUMMARY:** The Coast Guard is establishing a temporary safety zone for all navigable waters within a 600-foot radius of the fireworks launch site which is located on the Hudson River, Wappingers Falls, NY, in the vicinity south of Crum Elbow. This safety zone is needed to protect personnel, vessels, and the marine environment from the potential hazards during a fireworks display on May 28, 2022. Entry of vessels or persons into, transiting through, mooring, or anchoring within this zone are prohibited unless authorized by the Captain of the Port New York.

**DATES:** This rule is effective from 10 p.m. through 11 p.m. on May 28, 2022.

**ADDRESSES:** To view documents mentioned in this preamble as being available in the docket, go to <https://www.regulations.gov>, type USCG-2022-0173 in the search box and click "Search." Next, in the Document Type column, select "Supporting & Related Material."

## **II. Background Information and Regulatory History**

The Coast Guard is issuing this temporary rule without prior notice and opportunity to comment pursuant to authority under section 4(a) of the Administrative Procedure Act (APA) (5 U.S.C. 553(b)). This provision authorizes an agency to issue a rule without prior notice and opportunity to comment when the agency for good cause finds that those procedures are “impracticable, unnecessary, or contrary to the public interest.” Under 5 U.S.C. 553(b)(B), the Coast Guard finds that good cause exists for not publishing a notice of proposed rulemaking (NPRM) with respect to this rule because doing so would be impracticable and contrary to the public interest. The final details for this event were not known to the Coast Guard until there was insufficient time to publish an NPRM. Thus, delaying the effective date of this rule to wait for a comment period to run would be impracticable because it would inhibit the Coast Guard’s ability to protect the public and vessels from the hazards associated with a barge based fireworks display. The expeditious implementation of this rule is in the public interest because it will help ensure the safety of those involved in displaying the fireworks, the spectators, and users of the waterway during the fireworks event.

## **III. Legal Authority and Need for Rule**

The Coast Guard is issuing this rule under authority in 46 U.S.C. 70034 (previously 33 U.S.C. 1231). The Captain of the Port New York (COTP) has determined that potential hazards associated with this fireworks display, on May 28, 2022, will pose a significant risk to public safety and property. This rule is needed to protect personnel, vessels, and the marine environment in the navigable waters within the fallout zone immediately before, during, and after the fireworks display.

#### **IV. Discussion of the Rule**

This rule establishes a temporary safety zone on all navigable waters within a 600-foot radius of a barge located at approximate position 41°45'21.06"N 73°56'35.94"W on the Hudson River, Wappingers Falls, NY, in the vicinity south of Crum Elbow. No vessel or person will be permitted to enter the safety zone between 10 p.m. through 11 p.m. on May 28, 2022. The duration of the zone is intended to protect personnel, vessels, and the marine environment in these navigable waters during the fireworks display. No vessel or person will be permitted to enter the safety zone without obtaining permission from the COTP or a Designated Representative.

#### **V. Regulatory Analyses**

We developed this rule after considering numerous statutes and Executive orders related to rulemaking. Below we summarize our analyses based on a number of these statutes and Executive orders, and we discuss First Amendment rights of protestors.

##### *A. Regulatory Planning and Review*

Executive Orders 12866 and 13563 direct agencies to assess the costs and benefits of available regulatory alternatives and, if regulation is necessary, to select regulatory approaches that maximize net benefits. This rule has not been designated a “significant regulatory action,” under Executive Order 12866. Accordingly, this rule has not been reviewed by the Office of Management and Budget (OMB).

This regulatory action determination is based on the duration and time-of-day of the safety zone. This safety zone will restrict vessel traffic from entering or transiting within a 600-foot radius of the fireworks launch site which is located on the Hudson River, Wappingers Falls, NY, in the vicinity south of Crum Elbow. The approximate position is 41°45'21.06"N 73°56'35.94"W. Moreover, the Coast Guard will issue Broadcast Notice to Mariners via VHF-FM marine channel 16 about the zone, and the rule allows vessels to seek permission to enter the zone. Vessel traffic will be able to safely transit around the safety zone which would impact a small designated area of the Hudson River. Vessel traffic will

only be restricted in the limited access area for 1 hour on May 28, 2022. Advance public notifications will also be made to local mariners through appropriate means, which may include Local Notice to Mariners and Broadcast Notice to Mariners.

*B. Impact on Small Entities*

The Regulatory Flexibility Act of 1980, 5 U.S.C. 601–612, as amended, requires Federal agencies to consider the potential impact of regulations on small entities during rulemaking. The term “small entities” comprises small businesses, not-for-profit organizations that are independently owned and operated and are not dominant in their fields, and governmental jurisdictions with populations of less than 50,000. The Coast Guard certifies under 5 U.S.C. 605(b) that this rule will not have a significant economic impact on a substantial number of small entities.

While some owners or operators of vessels intending to transit the safety zone may be small entities, for the reasons stated in section V.A above, this rule will not have a significant economic impact on any vessel owner or operator.

Under section 213(a) of the Small Business Regulatory Enforcement Fairness Act of 1996 (Pub. L. 104-121), we want to assist small entities in understanding this rule. If the rule would affect your small business, organization, or governmental jurisdiction and you have questions concerning its provisions or options for compliance, please call or email the person listed in the **FOR FURTHER INFORMATION CONTACT** section.

Small businesses may send comments on the actions of Federal employees who enforce, or otherwise determine compliance with, Federal regulations to the Small Business and Agriculture Regulatory Enforcement Ombudsman and the Regional Small Business Regulatory Fairness Boards. The Ombudsman evaluates these actions annually and rates each agency’s responsiveness to small business. If you wish to comment on actions by employees of the Coast Guard, call 1-888-REG-FAIR (1-888-734-3247). The Coast Guard will not retaliate against small entities that question or complain about this rule or any policy or action of the Coast Guard.

### *C. Collection of Information*

This rule will not call for a new collection of information under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501–3520).

### *D. Federalism and Indian Tribal Governments*

A rule has implications for federalism under Executive Order 13132, Federalism, if it has a substantial direct effect on the States, on the relationship between the National Government and the States, or on the distribution of power and responsibilities among the various levels of government. We have analyzed this rule under that Order and have determined that it is consistent with the fundamental federalism principles and preemption requirements described in Executive Order 13132.

Also, this rule does not have tribal implications under Executive Order 13175, Consultation and Coordination with Indian Tribal Governments, because it does not have a substantial direct effect on one or more Indian tribes, on the relationship between the Federal Government and Indian tribes, or on the distribution of power and responsibilities between the Federal Government and Indian tribes.

### *E. Unfunded Mandates Reform Act*

The Unfunded Mandates Reform Act of 1995 (2 U.S.C. 1531–1538) requires Federal agencies to assess the effects of their discretionary regulatory actions. In particular, the Act addresses actions that may result in the expenditure by a State, local, or tribal government, in the aggregate, or by the private sector of \$100,000,000 (adjusted for inflation) or more in any one year. Though this rule will not result in such an expenditure, we do discuss the effects of this rule elsewhere in this preamble.

### *F. Environment*

We have analyzed this rule under Department of Homeland Security Directive 023-01, Rev. 1, associated implementing instructions, and Environmental Planning COMDTINST 5090.1 (series), which guide the Coast Guard in complying with the National Environmental Policy Act of 1969(42 U.S.C. 4321–4370f), and have determined that this action is one of a

category of actions that do not individually or cumulatively have a significant effect on the human environment. This rule involves a safety zone lasting only 1 hour that will prohibit entry within a 600 foot radius of the fireworks launch site. It is categorically excluded from further review under paragraph L60(a) of Appendix A, Table 1 of DHS Instruction Manual 023-01-001-01, Rev. 1. A Record of Environmental Consideration supporting this determination will be available in the docket. For instructions on locating the docket, see the ADDRESSES section of this preamble.

#### *G. Protest Activities*

The Coast Guard respects the First Amendment rights of protesters. Protesters are asked to call or email the person listed in the FOR FURTHER INFORMATION CONTACT section to coordinate protest activities so that your message can be received without jeopardizing the safety or security of people, places or vessels.

For the reasons discussed in the preamble, the Coast Guard amends 33 CFR part 165 as follows:

#### **PART 165—REGULATED NAVIGATION AREAS AND LIMITED ACCESS AREAS**

1. The authority citation for part 165 continues to read as follows:

**Authority:** 46 U.S.C. 70034, 70051; 33 CFR 1.05-1, 6.04-1, 6.04-6, and 160.5;

Department of Homeland Security Delegation No. 00170.1, Revision No. 01.2.

2. Add § 165.T01-0173 to read as follows:

**§ 165.T01-0173 Safety Zone; 2022 Barge Based Fireworks, Hudson River, Wappingers Falls, NY.**

(a) Location. The safety zone will cover all navigable waters within a 600-foot radius of the fireworks launch site located on the Hudson River, Wappingers Falls, NY, approximate position 41°45'21.06"N 73°56'35.94"W, in the vicinity south of Crum Elbow.

(b) Enforcement period. This rule will be enforced from 10 p.m. through 11 p.m. on May 28, 2022.

(c) Regulations. (1) Under the general safety zone regulations in subpart C of this part, you may not enter the safety zone described in paragraph (a) of this section unless authorized by the COTP or the COTP's Designated Representative.

(2) To seek permission to enter, contact the COTP or the COTP's Designated Representative via VHF-FM Marine Channel 16 or by contacting the Coast Guard Sector New York command center at 718-354-4356 or on VHF 16 to obtain permission.

(d) Definitions. As used in this section, *Designated representative* means a Coast Guard Patrol Commander, including a Coast Guard coxswain, petty officer or other officer operating a Coast Guard vessel and a Federal, State and local officer designated by or assisting the Captain of the Port New York (COTP) in the enforcement of this section.

Dated: April 14, 2022.

M. SENNICK,  
CAPTAIN, U.S. Coast Guard,  
Captain of the Port New York.
